# Y7 Digital Literacy & E-Safety

Term 1 Recap

**TEACHER VERSION: answers in red**

Name: _____

Class: _____

Date: _____

Write your name on the front of your workbook.

# Task 1: Guess the Password

Read the four stories. Draw a line from each person to their password.

**1** **Jenny** has a new kitten called Penny. She posts photos of Penny online. She always writes `#PrincessPenny`.

**2** **James** loves football. He plays every weekend and watches matches with his dad. Everyone knows who his favourite footballer is.

**3** **Aisha** loves Taylor Swift. She listens to her album 1989 all the time. She dances to it in her bedroom.

**4** **Owen** plays games online every night. His favourite game is Roblox. He plays it with his friends after school.

| Person | Password | Answer |
|---|---|---|
| James | `Taylor1989` | Haaland9 |
| Jenny | `OwenRoblox` | PrincessPenny1 |
| Aisha | `Haaland9` | Taylor1989 |
| Owen | `PrincessPenny1` | OwenRoblox |

# Task 2: Cyberbullying

Complete each sentence with a word from the box.

Spare words: block, report, adult (used in the example). Q9 could also take “block” (accept).

1 **Example:** If you receive mean messages online, you should **block** , **report** and tell an **adult** you trust.

2 Spreading **rumours** about someone online is a form of bullying.

3 Sending messages to **threaten** someone is cyberbullying.

4 The **victim** of cyberbullying often feels alone and scared.

5 Take a **screenshot** of the mean message as proof.

6 Bullies often hide behind a fake **nickname**.

7 Never tell anyone your **password** .

8 Keep the mean messages. Do not **delete** them.

9 Do not reply. Just **ignore** the bully.

10 A real **friend** would not post mean things about you.

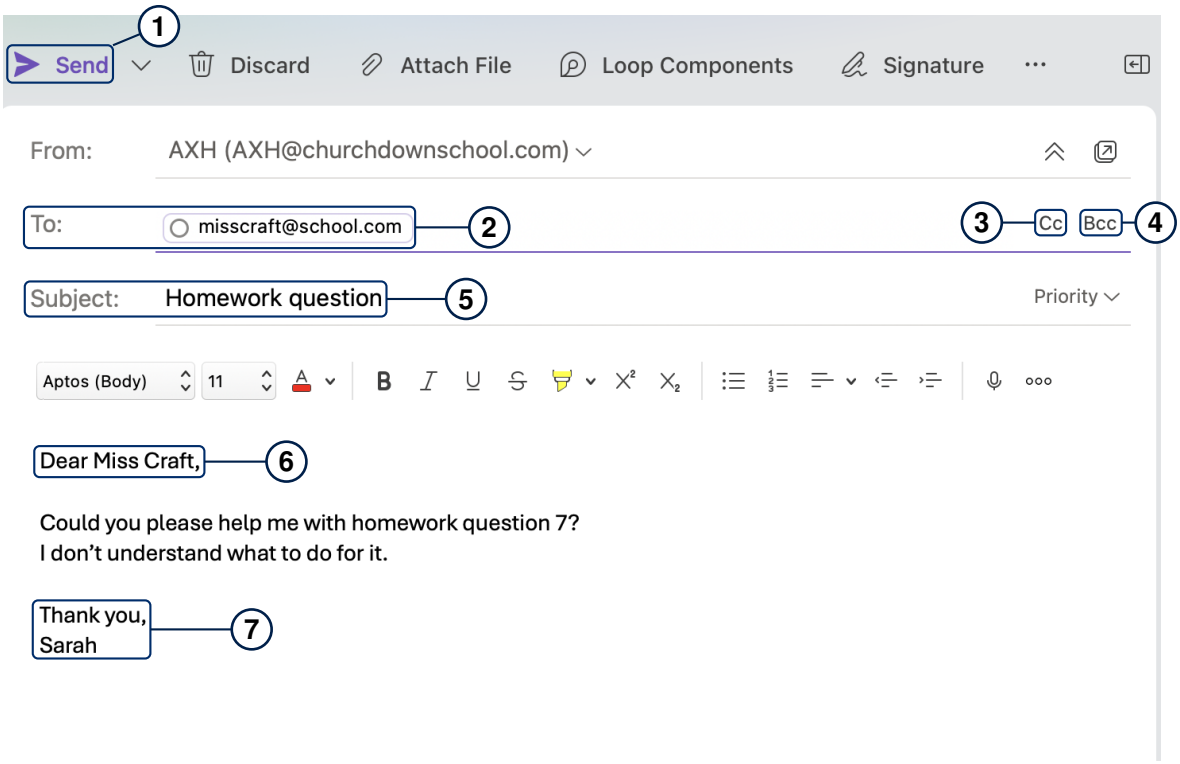

**Word bank**

| | | | |
|---|---|---|---|
| screenshot | friend | rumours | adult |
| delete | block | password | ignore |
| victim | threaten | nickname | report |

# Task 3: Emails

Label the parts of the email, then complete the rules.

**Part A: Label the parts of the email.**

**Write the name of each part:**

1. Send button
2. To field
3. Cc
4. Bcc
5. Subject line
6. Greeting
7. Sign-off

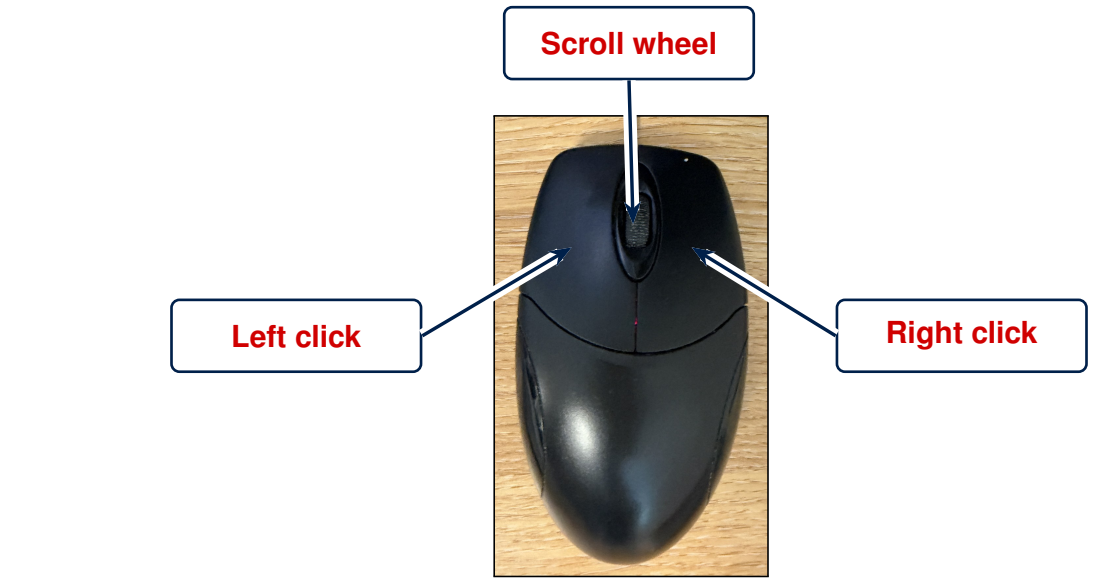

**Part B: Good email rules.** (Part B answers are examples; accept any sensible rule.)

| DO | DON'T |
|---|---|
| 1 Start all emails with a greeting. | 1 Write in ALL CAPITALS. |
| 2 Write a clear subject line. | 2 Share passwords or personal details. |
| 3 Sign off with your name. | 3 Open attachments from strangers. |

# Task 4A: Mouse and Keyboard

Write the name of each part in its box.

The Windows key is done for you. Look at the key, then label the others.

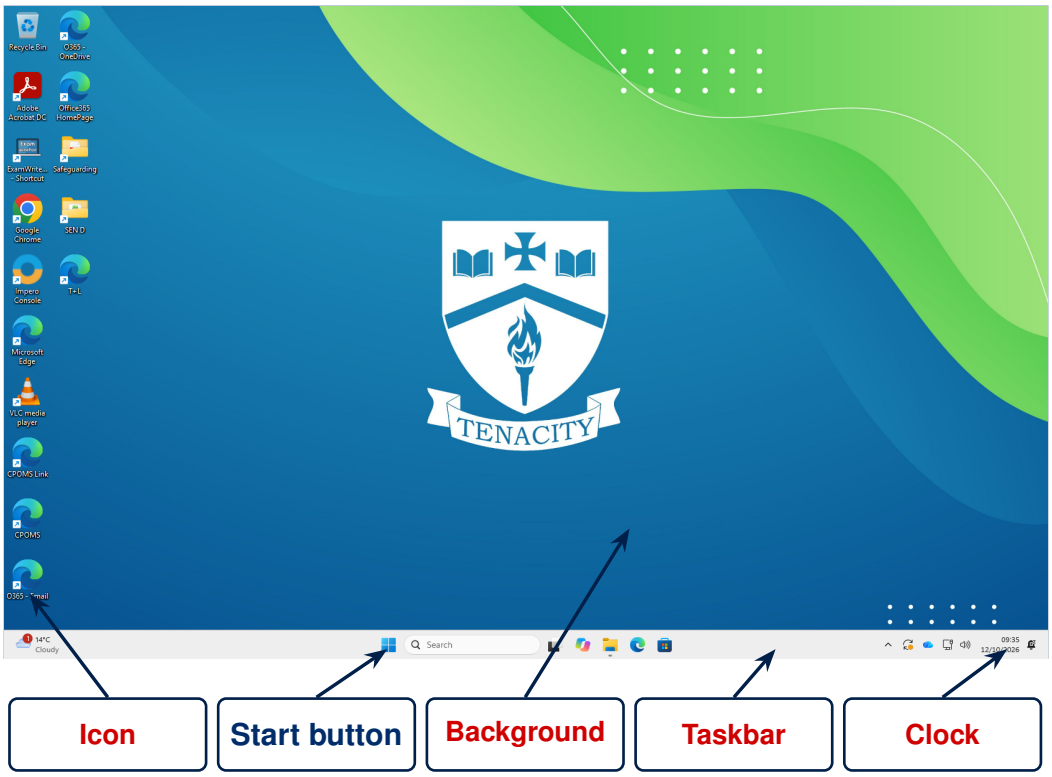

# Task 4B: Desktop and File Explorer

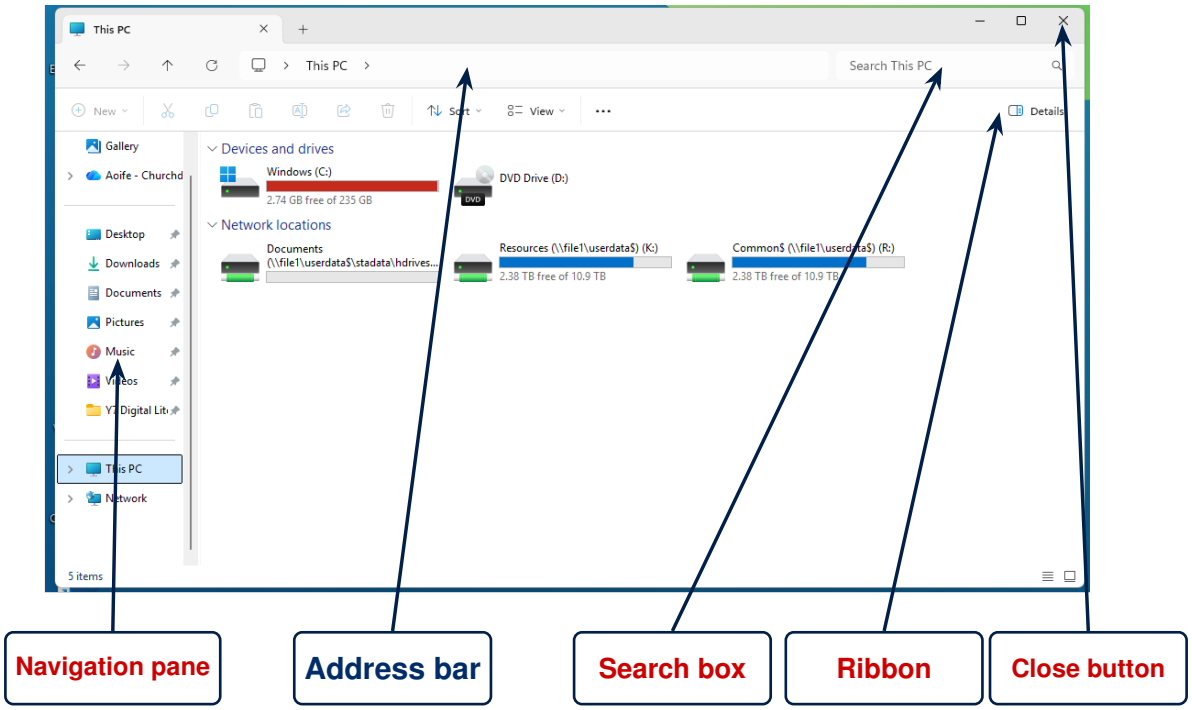

Write the name of each part in its box.

The Start button and the Address bar are done for you.

## The desktop

## A File Explorer window

# Task 4C: What does it do?

Write what each key or button does.

The Windows key is done for you.

## What does the Windows key do?

*Opens the Start menu, so you can find apps and files.*

## What does the Ctrl key do?

*Used with other keys for shortcuts, e.g. Ctrl+C copy, Ctrl+V paste, Ctrl+S save.*

## What does the Alt key do?

*Used with other keys for shortcuts, e.g. Alt+Tab switches between open windows.*

## What does the Esc key do?

*Escape: cancels or closes what you are doing, e.g. closes a menu or pop-up.*

## What does the Caps Lock key do?

*Types in CAPITAL LETTERS until you press it again.*

## What does the left click do?

*Selects an item. A double click opens it.*

## What does the right click do?

*Opens a menu of extra options for the item (e.g. copy, rename, delete).*

## What does the scroll wheel do?

*Scrolls a page or document up and down.*

# Task 4D: What does it do?

Write what each part of the screen does.

The Start button is done for you.

### What does the Start button do?

*Opens the Start menu, so you can find apps and files.*

### What does the taskbar do?

*Shows open and pinned apps along the bottom, plus the Start button and clock.*

### What does the desktop icon do?

*A shortcut picture you click to open an app, file or folder.*

### What does the background do?

*The picture or colour behind your icons (the wallpaper).*

### What does the clock do?

*Shows the current time and date.*

### What does the address bar do?

*Shows which folder you are in (its location or path).*

### What does the ribbon do?

*Row of buttons and tools for actions, such as copy, paste and rename.*

### What does the navigation pane do?

*List down the left side to jump to folders (Documents, Desktop, Downloads).*

### What does the search box do?

*Type a word here to find files and folders.*

### What does the close button do?

*Closes the window (the X in the top right).*

# Task 5: File, Folders and Desktop

Find the ten words in the grid.

Words go across, down or diagonally. DESKTOP is done for you.

| D | E | S | K | T | O | P | N | Q | T | A | J | M |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| F | R | I | B | B | O | N | W | Z | P | P | L | Z |
| Z | J | S | U | R | X | Q | V | V | S | W | B | B |
| F | V | T | O | V | E | R | W | R | I | T | E | U |
| U | K | F | Q | W | J | S | D | C | R | S | X | J |
| H | F | U | Y | G | I | J | O | B | N | H | P | P |
| Z | Q | O | X | S | L | W | C | U | L | U | L | O |
